

Have you seen a Wiggle Worm
Smaller than a tiny germ?
He has got a great big appetite.
Though he isn't very big,
He eats more than any pig.
Always looking for someone to bite.

Never wiggle, wiggle, wiggle

Never giggle, giggle, giggle

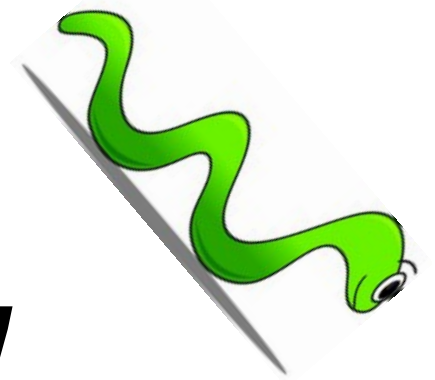

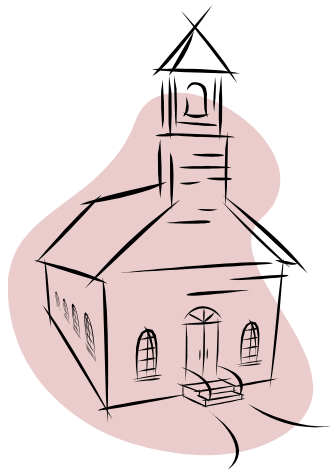

That'll squash the Wiggle Worm

when you feel the urge to squirm.

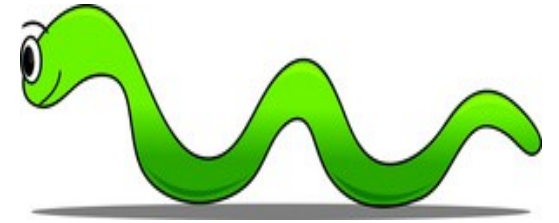

In your church on Sunday

In your school on Monday

Fight off the Wiggle Worm!

I was in my Sunday seat

Sittin' still and bein' sweet

When I saw him crawling on my shoe.

“Wiggle Worm don't bother me,
we'll have a catastrophe!”

Then I kicked him out of
Sunday School.

Fight off the Wiggle!

Fight off the Wiggle!

FIGHT! FIGHT! FIGHT!

The Wiggle Worm!!
