

~~Ask Jesus into your~~  .

**Don't ask,  
Just believe!**

**Don't use the misleading cliché –**

***“Ask Jesus into your heart”***

**#1: It is never found in the Bible.**

**#2: It is not how one is saved.**

**#3: It requires no understanding of the gospel of grace to do it.**

**#4: It confuses the means of salvation with the results of salvation.**

**#5: It either results in no assurance of salvation or brings a false assurance to people.**

**#6: Revelation 3:20 does not teach it.**

**#7: It does not clarify the condition of salvation; it confuses it - especially with children.**

**Do not let pride (“I’ve taught that cliché in the past”) or your emotions (“I’ve prayed this way with my kids”) or your traditions (“Our church has always said that”) get in the way of truth and biblical accuracy on the most important issue that anyone must address.**
