

DO RIGHT!

From the very start, have purpose in your heart

To do what's right and never question why.

Never count the cost, though everything seems lost;

The price for doing right is sometimes high.

Right is always right, and wrong is always wrong,

And we must learn to separate the two!

If you love the right, the Lord will give you light;

So seek the right in everything you do!

Do right till the stars fall, do right till the last call

Do right when there's no one else to stand by you!

Do right when you're all alone, do right though it's never known.

Do right since you love the Lord - do right, do right!
