

What the Bible Says Is So!

Words & Music: Ron & Donna Lou Merrill

What the Bible says is so!
God's the Author and I know
It will stand the test of time
Changing hearts with love divine.

Men may ridicule and scoff.
They may blaspheme God and laugh.
But it does not change the fact -
What the Bible says is so!

Men may deride It, *deride It, deride It*
Try to rewrite It, *rewrite It, rewrite It*
It stands forever, *forever, forever*
The Word of God, The Word of God!

What the Bible says is so!
God's the Author and I know
It will stand the test of time
Changing hearts with love divine.

Men may ridicule and scoff.
They may blaspheme God and laugh.
But it does not change the fact -
What the Bible says is so!

We must believe It
And then receive It.
It stands forever -
The Word of God, The Word of God!

What the Bible says is so!
God's the Author and I know
It will stand the test of time
Changing hearts with love divine.

Men may ridicule and scoff - *It's outdated! I don't believe it! It's a myth!*
They may blaspheme God and laugh - *Ha, Ha, Ha, Ha!*
But it does not change the fact -
What the Bible says is so . . .

Men refuse It, abuse It, ignore It, explore It,
But let the WHOLE WORLD KNOW:
WHAT THE BIBLE SAYS...IS SO!

The Musical Merrills - Family Favorites 1991
